

Ain't Nobody

Em D
Captured effortlessly
Em D
That's the way it was
C D
Happened so naturally
C D
I did not know it was love

Em D
The next thing I felt was
Em D
You holding me close
C D
What was I gonna do?
C D
I let myself go

[Pre-chorus]

Bm D C
And now we're flyin' through the stars
D Em
I hope this night will last forever

[Verse]

Em D
I've been waitin' for you
Em D
It's been so long
C D
I knew just what I would do
C D
When I heard your song

Em D
Filled my heart with your bliss
Em D
Gave me freedom
C D
You knew I could not resist
C D
I needed someone

[Bridge]

Em D D
And first you put your arms around me
Em D D
Then you put your charms around me
Em D D
I can't resist this sweet surrender
Em D D
Oh my nights are warm and tender
Em D D
We stare into each other's eyes
Em D D
And what we see is no surprise
Em D D
Got a feeling most with treasure
Em D D
And a love so deep we cannot measure

Chorus
